Power is not defined by money alone. Power is about being with your best friend, going through the highs and lows of life, sticking it out, staying together and representing real [love](#). Pop culture teaches us to "just get a divorce" if it doesn't work out" and at Matchmaker Enterprises, LLC., our CEO/Matchmaker, Amber Neal, says " talk to our real couples that are making it last, and I guarantee you that you will leave this event feeling encouraged and inspired by their stories of making it work in today's world".

Are you single? Our most eligible bachelors and bachelorettes are ready to mingle and hope to meet someone special! Could that be you? Gather your girls or guys and have a night out and meet someone special!

Are you a couple? Matchmaker Amber Neal strongly encourages couples to find other couples that can mentor them toward a healthy, loving, long lasting relationship. Come make new friends, network and enjoy craps, roulette, and blackjack courtesy of All Vegas Experience.

Budweiser Brewery Tasting Room will be hosting this event at their venue and providing complimentary drinks.

Matchmaker Enterprises, LLC.'s CEO, Neal, received confirmation that a new reality show "Becoming Houston" is following 5 Houston Entrepreneurs that are Experts in Networking and Neal was chosen as 1 of the 5 and they will be filming this event for the reality show.

Neal is the Executive Producer of " A Match Made in Houston Talk Show" produced for Comcast cable. She has recently been approved to take her talk show to The KUBE 57 every Saturday at Midnight coming soon!
