

New Report on Enterprise Network-Attached Storage (NAS) Market 2016-2020

Wiseguyreports.com Announces the Publication of its Research Report – Global Enterprise Network-Attached Storage (NAS) Market 2016-2020

PUNE, MAHARASHTRA, INDIA, July 12, 2016
/EINPresswire.com/ --

Wiseguyreports.com recognizes the following companies as the key players in the global enterprise NAS market: Buffalo Technology, Dell, EMC, Hitachi Data Systems, HP, IBM, NetApp, NETGEAR, QNAP, Seagate, Synology, and Western Digital.

Other Prominent Vendors in the market are: Aberdeen, AC&NC, Asustor, Cisco Systems, CTERA Networks, DataDirect Networks, Drobo, Fujitsu, LeCie (Seagate), Lenovo, Nfina Technologies, Oracle, Overland Storage, Quantum, Symantec, and Thecus.

A major trend influencing the market is the growing implementation of software-defined storage (SDS). SDS involves a form of storage virtualization that separates software services such as data management, data protection, placement of data, and I/O capabilities from the underlying storage infrastructure. This helps increase the flexibility, scalability, and automation of the enterprise storage infrastructure. Importantly, SDS helps reduce overall storage costs for enterprises. SDS is a fundamental component of SDDCs and is gaining popularity among enterprises worldwide.”

Details are provided within the report @ <https://www.wiseguyreports.com/reports/543698-global-enterprise-nas-market-2016-2020>

Research analysts forecast the global enterprise NAS market to grow at a CAGR of 21.67% during the period 2016-2020.

According to the report, a key growth driver is the need for collaborative working environments. The NAS system enables collaboration among enterprise users by providing a central location for storing business data along with remote access to files stored on the device. The system can be seamlessly integrated with the cloud environment for simplified collaboration and centralized management.

Further, the report states that one challenge that could hamper market growth is issues surrounding NAS compatibility.

The market is divided into the following segments based on geography:

- Americas
- APAC
- EMEA

Key questions answered in this report

- What will the market size be in 2020 and what will the growth rate be?
- What are the key market trends?
- What is driving this market?
- What are the challenges to market growth?
- Who are the key vendors in this market space?
- What are the market opportunities and threats faced by the key vendors?
- What are the strengths and weaknesses of the key vendors?

The study was conducted using an objective combination of primary and secondary information including inputs from key participants in the industry. The report contains a comprehensive market and vendor landscape in addition to a SWOT analysis of the key vendors.
