

The New “Rainbow Rose” Created by LovelsARose.com Celebrates Our Uniqueness

The “Rainbow Rose” has been created in solidarity with the LGBT community, and to honor the victims of the Orlando tragedy which took place on June 12, 2016.

WARRENVILLE, ILLINOIS, USA, July 13, 2016 /EINPresswire.com/ -- LovelsARose.com created the "Rainbow Rose" to make a difference. To celebrate our uniqueness and to create unity. This eleven-inch high, real rose is hand-crafted and preserved forever with 24k gold. It takes 65 steps to create each rose. Attached to the flower bud is a beautiful, engraved Heart Charm with a rainbow background that reads, “Love is Love.” This rose symbolizes love, acceptance, unity, and being true to oneself -- gifts to last forever in our hearts.

“Orlando is an exclamation point that we must express our commitment to the sanctity and honor of all human beings,

The new "Rainbow Rose" created in solidarity with the LGBT Community.

in all walks of life. We believe that love transcends hate and bigotry. Love is Love,” stated Sid Fey, CEO, Sid Fey Designs, home of LovelsARose.com.

LovelsARose.com, known for their custom, personalized gifts including [gold roses with custom messages](#) imprinted on the flower petals, also features a unique line of preserved, real orchids and lilies. The distinctive flowers are carefully selected and picked at the peak of their beauty, then preserved and trimmed, or dipped entirely, in 24k gold, platinum, or silver. The roses are available in an array of colors to suit every occasion. Capodimonte porcelain flowers and special occasion shadow boxes are additional finds at LovelsARose.

LovelsARose.com is also home to [Birthstone & Engraved Family Trees](#). Family names and birthdates are etched in brass or pewter, or displayed around three-dimensional, artfully created wrought iron trees. Vibrant birthstones then become the treasures decorating the branches. The family trees are given to parents, grandparents, husbands, wives, and employers.

“We are very proud of our new “Rainbow Rose” as we are a stand for love, acceptance, and unity in our world. Our mission has been, is, and will be to celebrate family and all relationships,” concluded

Fey.

About Sid Fey Designs, Home of LovelsARose.com:

Sid Fey Designs creates unique, personalized gifts that celebrate relationships, love, and family. These custom products are marketed through two successful websites, LovelsARose.com and BirthstoneTree.com.
