

Washington Mesothelioma Victims Center Urges a Diagnosed US Navy Veteran or Energy Worker in Washington to Call Them for Advice About What Specific Attorneys They Should Be Talking To

NEW YORK, NEW YORK, USA, July 26, 2016 /EINPresswire.com/ -- The Washington Mesothelioma Victims Center is now strongly encouraging a person with confirmed mesothelioma in Washington or their family to call them anytime at 800-714-0303 regarding what specific mesothelioma attorneys in the United States they should be talking to about compensation and or the compensation process.

The Center is also a devoted advocate about making certain people with mesothelioma hire the most qualified lawyers to assist with their financial claim-because once you hire a lawyer/law firm to assist with mesothelioma compensation there is no such thing as firing them for a better attorney-especially if the diagnosed

person is a US Navy Veteran or a hydro-electric or nuclear power plant worker.

The Center says, "We are urging a diagnosed person anywhere in Washington state or their family to not get impulsive when hiring a law firm to handle a mesothelioma financial compensation claim. We know 'no lawsuit needed' or a 'federally sponsored mesothelioma claims center' might sound attractive but both are fiction. If you want the best possible mesothelioma compensation a lawsuit and or a court trial could be involved and as we would like to explain anytime at 800-714-0303-there is no such thing as a US government sponsored mesothelioma compensation center. These types of Internet ads are sponsored by mesothelioma middleman marketing law firms that are in business to sign up diagnosed people with mesothelioma.

"If we had one really good tip for a recently diagnosed person with mesothelioma in the state of Washington or their family members it would be treat hiring a lawyer/law firm to help with mesothelioma compensation as if it were a job interview and demand references. We would also urge a family in this predicament to call us at 800-714-0303 to ensure they really are talking to the nation's very best mesothelioma attorneys-especially if we are talking about a diagnosed US Navy Veteran or energy/utility worker with mesothelioma." <http://Washington.MesotheliomaVictimsCenter.Com>

The Washington Mesothelioma Victims Center wants to emphasize their services are available statewide in every community in Washington including Seattle, Tacoma, Spokane, Vancouver, Yakima, Bellingham, Bremerton, Moses Lake, Olympia, Mount Vernon, Wenatchee, the Tri Cities, etc.

According to the CDC the average age for a diagnosed victim of mesothelioma is 72 years old. This year between 2500, and 3000 US citizens will be diagnosed with mesothelioma. Mesothelioma is a rare form of cancer that is attributable to exposure to asbestos.

High risk work groups for exposure to asbestos in Washington State include Veterans of the US Navy, hydro-electric power plant workers, shipyard workers, nuclear power plant workers, oil refinery workers, pulp and paper mill workers, factory workers, plumbers, electricians, miners, auto

mechanics, machinists, and construction workers. Typically, the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's. <http://Washington.MesotheliomaVictimsCenter.Com>

According to the CDC the states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon.

For more information about mesothelioma please refer to the National Institutes of Health's web site related to this rare form of cancer: <http://www.nlm.nih.gov/medlineplus/mesothelioma.html>
