

MacDonald Consultants and EXTO Team Up to Help Clients

MacDonald Consultants recognizes the value of their clientele, so they have partnered with GrowthCorp Alliance, a leader in human resources and payroll.

TAMPA, FLORIDA, USA, July 18, 2016

/EINPresswire.com/ -- MacDonald Consultants (MDF) recognizes the value of assisting their clientele. That's why they have recently partnered with GrowthCorp Alliance, LLC (GCA), a leader in the human resources and payroll field.

GCA's powerful Small Business Productivity Suite called EXTO (designed to assist small to medium-sized business owners achieve greater financial success while saving both time and money) has been recognized in the business world for its ability to bring together business necessities (human resource management and payroll) as well as employee discounts and perks all into one affordable, efficient solution package!

Additional benefits include a self-service employee portal and a private discount program. EXTO also provides employees with a central location online to access their payroll/benefits information, to print pay stubs/W-2s, to track/request time off, and to discover fantastic new discounts offered to staff as a benefit of their employment.

EXTO's discount program gives employees access to a wide range of nation-wide discounts at over 300,000 vendors, including such popular companies as Papa Johns, Panasonic, and Ticketmaster, among hundreds of other hotels, restaurants, movie theaters, theme parks, and museums nationwide.

GrowthCorp Alliance is proud to work with associations and organizations to offer these benefits exclusively to their member companies – which provides an excellent new resource for their members. Association leaders interested in learning more can find information on the company's website at www.growthcorpalliance.com.

Mitch Diamond, President of GCA said, "We're excited to be working with forward-thinking businesses and associations, and appreciate their desire to offer their members benefits that meet them where they live. Putting cash back into employees' pockets can make a real difference in their lives."

Macdonald Consultants' business is managing human capital and inspiring productivity. By keeping connected in the benefits industry at the national level (but with local expertise), they are able to offer "Best in Class" strategic solutions with a focus on expert benefit advisory services, technology including targeted analytics, and HR Compliance.
