

Construction and Mining Equipment Player, Regions, Market Segment by Regions, Split by Applications Forecast 2022

New Report on Global Construction and Mining Equipment Market 2014 Edition

PUNE, INDIA, July 18, 2016 /EINPresswire.com/ -- Wiseguyreports.Com Adds "[Construction and Mining Equipment](#) Market - Global Industry Analysis, Size, Share, Growth, Trends and Forecast 2014 - 2022" To Its Research Database.

Summary

Construction equipment is used in construction of residential and non-residential buildings, such as roads, tunnels, bridges, and others. Mining equipment is used in underground mining, drilling, and mineral processing, and surface mining. The reduction in manpower and elimination of necessity of explosions and bursting is possible using mining equipment. Technological advancements in construction and mining equipment help business owners to finish projects in stipulated time.

Key Manufacturers mentioned in this research report are: Atlas Copco AB, Caterpillar Inc., CNH Industrial N.V., Hitachi Construction Machinery Co. Ltd., Joy Global Inc., Komatsu Ltd., Liebherr-International AG, Terex Corporation, Volvo Group, And Zoomlion Heavy Industry Science & Technology Development Co. They have adopted various strategies, such as partnerships, new product launches, mergers & acquisitions, collaborations, expansions, joint ventures, and others to strengthen their position in the market.

KEY BENEFITS FOR STAKEHOLDERS:

The report offers an extensive analysis of key driving and restraining factors of the world construction and mining equipment market. This report offers an in-depth quantitative analysis of the current market and estimations through 2015-2020, which assists in identifying the prevailing Market - Opportunities.

The report provides an extensive analysis of current and future market status of the world construction and mining equipment market. An in-depth analysis of key strategies adopted by leading manufacturers helps in understanding competitive scenario.

A comprehensive analysis of current research and clinical developments within the world construction and mining equipment market is provided with key market dynamic factors that helps in understanding the behavior of the market.

Competitive intelligence (of leading manufacturers and distributors of plasma fractionation) helps in understanding the competitive scenario across geographies.

Geographically, the world construction and mining equipment market is segmented into North America, Asia-Pacific, Europe, and Latin America, Middle East and Africa (LAMEA).

CONSTRUCTION AND MINING EQUIPMENT MARKET KEY SEGMENTS:

Market By Product Type

Loaders

Dozers

Excavators

Crushing

Pulverizing & Screening Equipment

Others

Market By Application

Infrastructure

Mineral Mining

Residential Building

Metal Mining

Others

Market By Geography

North America

Asia-Pacific

Europe

Latin America, Middle East and Africa (LAMEA)

Key Market Players:

Atlas Copco AB

Caterpillar Inc.

CNH Industrial N.V.

Hitachi Construction Machinery Co. Ltd.

Joy Global Inc.

Komatsu Ltd.

Liebherr-International AG

Terex Corporation

Volvo Group

Zoomlion Heavy Industry Science & Technology Development Co.
