

Patrick Dunlap is leading tts North America

tts, market and innovation leader for digital learning and performance support technology has appointed Patrick Dunlap as SVP North America.

NEW YORK, NEW YORK, UNITED STATES, July 18, 2016 /EINPresswire.com/ -- tts, market and innovation leader for digital learning and performance support technology has appointed Patrick Dunlap as SVP, Business Development - North America. Dunlap brings over 25 years of experience with Learning Tools, Electronic Performance Support Systems (EPSS) as well as Enterprise Software sales and global alliances. In his last appointment, Dunlap was responsible for Global Sales and Alliances at ANCILE Solutions, Inc.

Hermann Ude, Managing Partner of tts welcomed Patrick pointing out, that “tts is serving many of the most demanding global companies in Healthcare, Finance, Automotive and Retail. We already have many blue chip customers in North America, and I am confident that Patrick’s leadership and his proven excellence in customer care will bring us into a new league of customer and partner relationships”.

“

tt performance suite is by far the most advanced and integrated e-learning and performance support environment available in the market place.”

Patrick Dunlap

Dunlap pointed out that he is excited by the new challenge, as “the [tt performance suite](#) is by far the most advanced and integrated e-learning and performance support environment available in the market place. North American companies need the huge gains in user adoption and productivity tts technology can provide.”
