

Global Secure Logistics Market 2016 Analysis and Forecast to 2020

Secure Logistics Market to Grow at a 9.38% CAGR Forecast to 2020

PUNE, INDIA, July 19, 2016 /EINPresswire.com/ -- About the [Secure Logistics](#) Market

Vendors in the global secure logistics market are involved in the physical transportation of cash and other valuables from one location to another. They are also involved in manning and guarding high-risk zones such as embassies, airports, and public venues. Cash logistics services include a gamut of services such as management of ATMs, armored transportation and management of cash, transportation of valuables, and international shipping of high-tech devices. Security logistics services include armed and unarmed guarding, protection services, and electronic monitoring of premises. The global secure logistics market is labor-intensive as well as capital-intensive.

Research analysts forecast the global secure logistics market to grow at a CAGR of 9.38% during the period 2016-2020.
