

# Military Airborne Collision Avoidance System Market Research and Analysis Report 2016

---

*New Report on Global Military Airborne Collision Avoidance System Market 2016 Edition*

PUNE, INDIA, July 19, 2016 /EINPresswire.com/ -- Wiseguyreports.Com Adds "[Military Airborne Collision Avoidance System](#) Market - Global Industry Analysis, Size, Share, Growth, Trends and Forecast 2016 - 2020" To Its Research Database. Analysts forecast the global military ACAS market to grow at a CAGR of 4.5% during the period 2016-2020. Summary

Military aircraft generally operate in hazardous conditions, which increases the chances of mid-air collisions (MAC) and fatal accidents. This has compelled the military forces to adopt sophisticated ACAS to improve the operational safety and efficiency of such aircraft. In addition, factors such as stringent regulatory norms set by the Standardized European Rules of the Air (SERA) and Chicago Convention on International Civil Aviation would necessitate the execution of such systems to ensure flight safety.

Covered in this report

The report covers the present scenario and the growth prospects of the global military ACAS market for 2016-2020.

The market is divided into the following segments based on geography:

- Americas
- APAC
- EMEA

Global Military Airborne Collision Avoidance System (ACAS) Market 2016-2020, has been prepared based on an in-depth market analysis with inputs from industry experts. The report covers the market landscape and its growth prospects over the coming years. The report also includes a discussion of the key vendors operating in this market.

Enquire before buying this report visit @ <https://www.wiseguyreports.com/enquiry/526522-global-military-airborne-collision-avoidance-system-market-2016-2020>

Key vendors

- Honeywell International
- L-3 Communications
- Rockwell Collins
- Saab
- Thales Group

Other prominent vendors

- Diehl Aerosystems
- Esterline
- General Atomics
- Sagem

- Selex ES

#### Market driver

- Growing demand for ACAS in military UAVs
- For a full, detailed list, view our report

#### Market challenge

- Cost associated with the retrofit of ACAS
- For a full, detailed list, view our report

#### Market trend

- Development of affordable ACAS
- For a full, detailed list, view our report

#### Key questions answered in this report

- What will the market size be in 2020 and what will the growth rate be?
- What are the key market trends?
- What is driving this market?
- What are the challenges to market growth?
- Who are the key vendors in this market space?
- What are the market opportunities and threats faced by the key vendors?
- What are the strengths and weaknesses of the key vendors?
