SPENCER, TENN., UNITED STATES, July 23, 2016 /EINPresswire.com/ -- SPENCER, Tenn. – Author Linda Lee captivates readers as she crafts a story of fantasy, magic and romance in her novel, “Imi Stoglin: The Rise of the Phoenix.”

A tale of magic, enchantment and love, “Imi Stoglin” is an adventure-packed book about an immortal that dwells into the world of evil.

“I had this dream about a witch who was actually more than just a witch. She was a human, vampire witch. She cast spells and made potions. Then the dream switched to a white wolf that changed into a phoenix when he needed to locate something. Then the dream switched to vampires. I had this dream every night until one night when I woke up I wrote down everything in the dream. But it seemed like I was stuck in the dream and each night I dreamed more and more about Imi and Blaze. I know this sounds crazy but I had to know what their names were and I asked them in the dream. The dreams continue even today so I guess, Imi and Blaze have more to tell me about their story,” shares Lee when asked about the inspiration behind her compelling novel’s plot.

“
