GLENWOOD, MD., UNITED STATES, July 23, 2016 /EINPresswire.com/ -- GLENWOOD, Md. – Author Patrick Dornan partnered with [Tate Publishing](#) to kick-start the publication process of his interesting book, ["Give Me Liberty!"](#)

A story of riddles, secrets and mystification, "Give Me Liberty!" is a mystery-thriller fiction about taking place in today's tumultuous political climate, which makes the readers get to decide if the protagonists are patriots or domestic terrorists.

"The frustration with the 'Washington Establishment' expressed by voters during the current political campaigns existed long before the campaign season. Whether it is from radical leftist groups like MoveOn.org or patriotic groups like the 'T.E.A. Party', the protest candidates (Sanders, Trump, Cruz) have gained traction for a reason. My own frustration started after Clinton was elected president, and has not let up through Bush 43 and Obama. We need better leaders," shares Dornan on the inspiration behind the book.

“

"This is a work of pure fiction, meant for entertainment, and I believe it achieves that goal."

*Andrea Weig, Acquisitions Editor, Tate Publishing*

"This is a work of pure fiction, meant for entertainment, and I believe it achieves that goal," states Andrea Weig, Acquisitions Editor for Tate Publishing.

Published by Tate Publishing and Enterprises, the book is available through bookstores nationwide, from the publisher at [www.tatepublishing.com/bookstore](http://www.tatepublishing.com/bookstore), or by visiting [barnesandnoble.com](http://barnesandnoble.com) or [amazon.com](http://amazon.com).

Dornan has been politically active since childhood. He was involved with student government through high school. He founded a local taxpayer activist organization in his early 30's, and was recruited to run for state delegate. However, he opted to not to become one of "them." The fire was never fully extinguished, and as dismay with how the elected officials put themselves before those they are supposed to serve grew, writing became an outlet. He has been married to his wife, Sue, for 29 years, and they have three awesome children. Patrick Jr. works in professional sports, Kelly is a professional ballerina, and Christopher is an aerospace engineering student and aspiring professional baseball

player.
