

# IMG Wild Launches New Stock Photo Website

*Stunning photography for image buyers, designers and marketers.*

LONDON, GREATER LONDON, UNITED KINGDOM, July 23, 2016 /EINPresswire.com/ -- Royalty free [stock photo](#) website IMG Wild launched a brand new website for designers and professional image buyers.

The website features high resolution images shot by professional photographers around the world and dramatically reduces the entry cost for images of this calibre. Each image has a fixed price set at \$49 and there are no restrictions or licence for usage. This model is a significant break from other websites offering this level of photography.

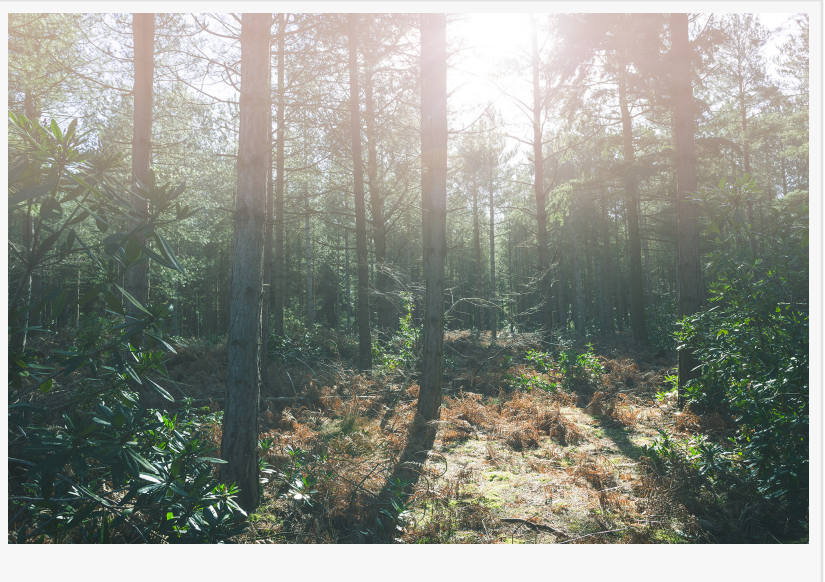

IMG Wild features many outdoors and adventure images and is an ideal tool for tour operators, designers and tourism marketers looking to promote a product or lifestyle.

- Twitter and Instagram launches have been warmly received already and engagement with the site is growing strongly.

- Undercuts competitor prices by up to 90%

IMG Wild aims to become the go to website for professional designers and image buyers looking for a no hassle high-resolution stock image purchase. From website backgrounds, to full-page ads, IMG Wild provides the images that grab the attention.
