SALINAS, CA, UNITED STATES, July 27, 2016 /EINPresswire.com/ -- Forno Bravo (www.fornobravo.com) and Pizza Quest have announced a renewal of their collaboration on the pizza-themed website, www.pizzaquest.com, that began in 2010.

Pizza Quest stems from my book, "American Pie", as a vehicle to continue the search for the perfect pizza.

Peter Reinhart

"Pizza Quest with Peter Reinhart" is a destination website for pizza enthusiasts that contains video and blog content as well as recipes and guest columns from chefs and personalities in the pizza industry.

"Pizza Quest stems from my book, "American Pie", as a vehicle to continue the search for the perfect pizza," said Peter Reinhart, famed author, baking instructor and host of Pizza

Quest. "Along with my co-creators Brad English and Jeff Michael, we started filming interviews with some of our favorite pizzerias and produced short vignettes of the interviews that we call "webisodes". In 2010, we partnered with Forno Bravo to develop a web platform to share the webisodes and our personal insights about our quest as well as provide a vehicle for guest contributors to share their passion for pizza."

"We want to thank not only Forno Bravo for providing the platform to share our journey, but our sponsors along the way who have made the production of webisodes possible. As we look to continue our travels, we encourage potential sponsors to see what Pizza Quest is about and join our endeavor," said Reinhart.

Forno Bravo COO Tim Cole said, "We couldn't be more pleased to renew our commitment with the team at Pizza Quest. Forno Bravo has always supported the pizza enthusiast with free content to bring food, fire and family together and Pizza Quest embodies Forno Bravo's core principles."
