We stop working to reach our dreams and let the negative experiences overtake the mind. How we react in the face of adversity can become a defining moment. Some people feel they may have missed that moment and never fully recover. Nicole Bowe-Rahming, Transformational Life Coach, is here to help you rediscover those dreams, unmask your potential, fortify your purpose and design your life.

During her adventures around the world, Nicole was stricken with an autoimmune disease and hospitalized repeatedly. Refusing to believe that this was all to life, through her faith and with the help of a therapist, Nicole found the strength to overcome her health issues and decided to become a Life Coach for herself.

With certification in Life Coaching from the Life Purpose Institute, Nicole has been assisting men and women of all backgrounds in person, via Skype and over the phone. Nicole has an incredible zest for
