

## Gardening Knee Pads by Metric USA Helps With one of America's Most Popular Hobbies

CULVER CITY, CA, UNITED STATES, August 1, 2016 /EINPresswire.com/ --Gardening has always been one of America's most popular hobbies. From the very young to the more senior citizens like myself, we all love to play in the dirt! It gives one a great sense of satisfaction when you plant a few seeds and tend to them and few days later, start to see the fruits of your labor. You can plant healthy vegetables, fruits or colorful flowers. Studies have shown that gardening is s effective stress reliever. Being out in the garden promotes health thru exercise and you could get nutritious vegetables & fruits.

One drawback to spending hours gardening is you tend to end up with scratched or sore knees, not to mention dirt on your pant knees. This is where Gardening Knee Pads by Metric USA helps. Re-enforced padded knee caps on their knee pads contour to your knees

and are water resistant. The garden knee pads are securely held in place by 2 extra-long soft elastic straps which fasten on to 2 extra-long Velcro strips 4 inches long which virtually guarantee a custom fit for all shapes and sizes of knees.

Metric USA's Gardening Knee Pads are made out of it's Metric66, the material that Metric Products uses in their bra cups for high end lingerie. It has the benefit of being cool and comfortable as it is designed to be worn next to the skin. Pockets on the inside of the knee pads help with air circulation. If the knee pads get dirty, care is minimal. They can be hand washed and laid flat to dry. Metric USA offers a no-quibble, 100% Money Back Guarantee, if customers are not satisfied with their gardening knee pads.
