

Fond du Lac writer pens whimsical story of friendship and unity in storybook

Author Joey Spyder imparts the value of bringing goodness to others in his heartwarming book for young readers, "Tammi the Treefrog."

FOND DU LAC, WIS., UNITED STATES, August 3, 2016 /EINPresswire.com/ -- FOND DU LAC, Wis. – A heartwarming, adventure-packed storybook is what author Joey Spyder shares among young book aficionados as he imparts the value of bringing goodness to others in his book, "[Tammi the Treefrog](#)."

Spyder's "Tammi the Treefrog" is a story of life and loss and unity in times of

tragedy. Living in Mossy Flower has been the joy in Tammi's life. After hearing from her friend Sammi that there's an entire field of her favorite flowers, she embarks on a journey to discover where the field is, and along the way, she meets some new friends, reconnects with old friends, and finds out about how easy the problems she encounters can be overcome with the help of those who care about her.

“

Passes on the message of perseverance, selflessness, and most of all, unity within a community. Everyone that hears about it falls in love!

Katie Sicula, Acquisitions Editor, Tate Publishing

Tammi the Treefrog is not only a journey through Mossy Flower; it's a journey into the heart of Tammi herself. You'll find yourself getting lost in Mossy Flower, and you won't want to put the story away until you learn how everything in Tammi's life gets resolved.

"It's a story more about me than it is about the character Tammi herself... it helps symbolize what perseverance is and what selflessness should be and talks about overcoming adversity and seeing things through to the end," Joey shares.

"Tammi almost never came to be, in fact, she's been up against the wall not only in Mossy Flower but also out here in the real world too. She's going on years and there's more than just time invested into the creation of what Mossy Flower might someday become. I believe this is what the industry needs right now – picture books into chapter books and simplified tragedy," the author adds when asked about the inspiration behind his whimsical narrative.

"It's a story that passes on the message of perseverance, selflessness, and most of all, unity within a community. Everyone that hears about it falls in love," states Katie Sicula, Acquisitions Editor of [Tate Publishing](#).

Published by Tate Publishing and Enterprises, the book is available through bookstores nationwide, from the publisher at www.tatepublishing.com/bookstore, or by visiting barnesandnoble.com or amazon.com.

Spyder is what some people consider an excellent orator. Whether it be telling stories around a campfire, reading aloud from books already in print or just relating the events of his life, he somehow makes the fun things funnier and the happy things happier.

He volunteers his time for others, donates freely to the community, and above all, he follows a strict moral code providing the example that even when bad things happen in real life, doing the right things really are always better, even if they are sometimes harder.
