**ACC GLOBAL MEDIA
RESEARCH DEPARTMENT**

Born and raised in Detroit, Michigan, Icy was brought up with a strong Christian faith, as her parents were both ministers. At the age of 17, she began having vivid dreams, witnessing the future in these dreams. This power only enhanced as she aged. Fascinated by the visions and messages she received, Icy was compelled to follow the energy from within while still

incorporating her immense spiritual background.

Having relocated to Hawaii with her husband and children, Icy conducts her services via Skype, email, telephone and in person. From Tarot Card Readings to Life/Assertiveness Coaching sessions: Icy assists people with finding the answers they've been looking for. Whether you're seeking assistance with your career, relationships, health, spirituality or communicating with lost loved ones, Icy has the ability to take you to places and show you visions you've only dreamed of.

In the near future, Icy will be releasing her debut book that will detail many fascinating experiences and share with people how she overcame personal obstacles, evolved spiritually, cultivated her psychic powers and chose to share her abilities with others in need. All of her wonderful services are listed on her site at www.icyspeace.com.

Icy Kendrick will be featured on ACC News Talk Radio www.blogtalkradio.com/accglobalmedia on Thursday August 4th at 3pm EST. For more information visit www.icyspeace.com, email icyspeace@gmail.com or call 808-312-7415.
