

# PADGETT BUSINESS SERVICES® Rolls Out New Business Growth Program for Tax Professionals

*Program aims to assist tax professionals in growing their business*

ATHENS , GEORGIA, UNITED STATES, July 8, 2016 /EINPresswire.com/ -- [PADGETT BUSINESS SERVICES®](http://PADGETTBUSINESSSERVICES.COM), a leading small business tax planning and preparation company, announced today a brand new business growth program for qualified tax professionals and business owners.

The [Business Growth Program for Professionals](#) is an exclusive opportunity that allows CPAs, enrolled agents and other tax professionals operating their own businesses to take advantage of a fully-supported network that lets them retain and grow business, leverage state-of-the-art client marketing and acquisition strategies, maintain and improve client service and remain up-to-date on industry compliance issues.

“

With our Business Growth Program for Professionals, independent business owners will now have access to an organization that has its finger on the pulse and an immense knowledge of the industry.”

COO*

“For 50 years PADGETT BUSINESS SERVICES® has been a leader in small business tax planning,” Roger Harris, president and COO said. “With our Business Growth Program for Professionals, independent business owners will now have access to an organization that has its finger on the pulse and an immense knowledge of the industry. This program allows business owners to benchmark their operations, while keeping aligned with all of the best practices in tax preparation and compliance.”

Walter Padgett launched PADGETT BUSINESS SERVICES® in 1966 after witnessing local business owners struggling with

the financial aspects of running their companies. His idea was to help those small businesses thrive -- half a century later, PADGETT BUSINESS SERVICES® continues to run on that same principle. With headquarters in Georgia, the company now boasts a network of more than 300 offices in North America across the United States and Canada, assisting tens of thousands of small business with their tax planning and preparation needs.

“Simply put, there is no other program in the market that does what we do -- we are more than experts in our field, we are the small business pros,” said Steve Rafsky, CEO of the company. “Several big-name competitors have tried to enter this segment of small business tax services, but PADGETT has stood the test of time in this market. Our secret lies in years of building client relationships and teaching tax professionals the best ways to do just that.”

New PADGETT BUSINESS SERVICES® offices receive professional support from a firm that has unmatched credibility in the tax industry, top-of-the-line technologies, client acquisition strategies and more. The Business Services Business Growth Program for Professionals is currently open to qualified tax professionals operating businesses in the United States, with a particular emphasis on those based in the Northeast and Texas.
