

# Accord Medical System offers transparency in healthcare in today's fast pace environment

WOODLAND PARK, NEW JERSEY, UNITED STATES, August 8, 2016 /EINPresswire.com/ -- AccordMS is passionate about fostering transparency in healthcare and took a proactive approach in executing effective solutions that deal with changes in today's fast paced healthcare environment. Most medical professionals know it is challenging to keep up with all the changes in the rules and regulations in the healthcare industry and give the best patient care. Transparency provides billing integrity, and allows patients to have all records at their fingertips. Most healthcare professionals who expand their compliance knowledge will always have the edge in today's ever-changing healthcare system.

AccordMS makes it easy for patients to access and understand their records and billing as well as help doctors say within

Fair Health Guidelines. All cost and disclosures are built in. the Accord MS system makes meaningful use of staying compliant within the HIPA privacy Act by providing access to the patient while still making clear and visible to the patient the Doctors Integrity.

“

My experience in working with Accord was very much a positive one. Their professionalism was refreshing and I would welcoming the opportunity to work with them again.

*Radomir Markovic, customer of Accord MS*

“They understand and adapt to our culture instead of trying to change our culture. They understand our needs and how we go about things, and they are flexible to adapt to that.” Ariel Martin

AccordMS specializes in healthcare framework and design, corporate compliance and integrity program development, creating internal controls and auditing procedures, and much more.

AccordMS is striving to be known as an excellent community citizen, embodying an organization of people working together to do the right thing every day to improve the health of their patients as well as the healthcare process.
