JAIPUR: Myly is an award winning school technology platform, with in-built mobile app to connect & communicate with students, parents, teachers & school. With its Premium version, myly introduces School ERP features to empower schools to adopt technology in the most user-friendly and cost-effective manner.

To ensure better communication between schools, teachers, parents & students, myly [school mobile app](#) with its Premium version has introduced student life-cycle management, staff communication feature, assignment & newsletter publishing, social sharing, time-table publishing, exams & results publishing, online fees collection and many more features.

Myly Premium bridges the communication gap by not only focusing on teacher-parent communication but also on school-teacher communication. Student life cycle management helps manage student right from admission to TC generation.

“Spending huge sums of money on [School ERPs](#) will no longer be necessary. By using myly Premium, schools will get all the features they need and will only need to pay for what they use.” says CEO, Gaurav Mundra.

Myly adopts a mobile first approach putting firepower in the hands of the school admin and teachers

enabling them to do all their day-to-day tasks on the app itself. Teachers on a single touch can take attendance on app, share assignments with submission dates, share event images directly with parents.

On the other hand parents can keep a track of class schedule, upcoming exams, events in school, due fees details and many more.

School ERP modules like Student Life cycle Management, Admission Management, Time-table publishing, Exam Scheduling, Result publishing and [Fees Management](#) allows schools to completely automate their school management.

“Myly Premium address the universal problem of schools – that of having a mobile app solution which is reliable & cost effective. Myly premium is a user-friendly app that is controlled by school management and supported by our dedicated team.” says Madhup Bansal, COO of myly.

Myly has 500 institutional customers across India and abroad.
