

Middle East corporations focusing on shared services and outsourcing to reduce costs and improve customer satisfaction

Accelerated by the current oil prices, companies in the region are exploring options to increase efficiency, reduce costs and add value in their organisations.

MANAMA, BAHRAIN, August 11, 2016 /EINPresswire.com/ -- The Shared Services and Outsourcing Week Middle East is taking place from 31 October - 3 November 2016 in Manama, Bahrain, to help senior management, shared services and outsourcing professionals in the region to effectively plan and implement shared services and outsourcing strategies.

Accelerated by the current oil prices, companies in the Middle East are exploring various options to increase efficiency, reduce operating costs and add value in their organisations. Stakeholders at the conference will discuss how to achieve these objectives as well as how to substantially improve efficiency, productivity and process excellence using a shared service or outsourcing model.
