Everyone is welcomed to attend the Praise-A-Thon!

In an effort to reach a broader audience, the Network partnered with Southern California areas churches and a school of ministry: Love & Unity in Compton; Truth and Love Christian Church in Carson; SOV Ministries in Downey; Torrance New Life Church in Torrance; Southside Christian Palace Church in Los Angeles; and Next Dimension University in Rancho Cucamonga. The Praise-A-Thon will be opened by Mistress of Ceremonies Minister LaKesia Barrett. Performances include Gospel Artists and featured singers: Pastor [Markees Williams](#), [Joslynn James](#), the Love and Unity choir, husband and wife Elder Michael and Minister LaKesia Barrett; and more.

“

For to whom much is given, of him much shall be required. And from him to whom much was entrusted, much will be asked.”

Luke 12:48

The Network, available on all digital platforms, debuted in 2014 in a limited area of Los Angeles and has grown to reach more than 16 million people. "One day, while channel surfing, I was unable to find a network that offered positive, inspirational and faith-based content," said L.A. Praise TV Network Founder and CEO Gregg Bynum, PhD who will share the "bigger picture" of the Network at the Praise-A-Thon. "The Lord guided me to step out on faith, mortgage my properties, and create the network to provide 24/7 access on a global level for people from all walks of life to find solace and hope anytime on the Network."

"The Network provides a variety of family friendly and faith-based content from talk shows, community

issues, ministry, and inspirational videos that is unsurpassed by any other network that has 24-hour free programming,” said Elder [Michael Barrett](#), Jr. who is L.A. Praise Network’s ministry development manager and author of Surrender, his true story of redemption and faith.

Bynum’s actions exemplify the scripture, “For to whom much is given, of him much shall be required. And from him to whom much was entrusted, much will be asked.” (Luke 12:48) Through the Network, Bynum is definitely practicing what he preaches.
