*Uniphore appoints Vineet Kalucha to lead India Sales*

CHENNAI, CHENNAI, INDIA, August 12, 2016 /EINPresswire.com/ -- Uniphore Software Systems, a Chennai-based speech recognition company, announced the appointment of Vineet Kalucha as its new Director of Sales for India.

Vineet comes with over 18 years of experience in the field of information technology and enterprise software products. He has worked in markets across Asia, including India, and has a vast experience in selling customer facing enterprise applications like CRM, CIM and Customer Analytics.

Commenting on the appointment, Umesh Sachdev, CEO & Co-founder, Uniphore Software Systems said, "We are extremely excited about having Vineet on board. His skillset and experience will be extremely critical for our future growth plans. Moreover, his deep understanding of the industry will be important in helping Uniphore draw out long term sustainable strategies for the Indian market. We look forward to accelerating our growth and welcome Vineet to the Uniphore team."

Vineet Kalucha commented, "I am eagerly looking forward to being a part of the Uniphore family. The company's value proposition in terms of impacting lives in a unique manner, with their speech recognition and analytics tools is phenomenal. With Uniphore's exceptional growth trajectory, I am excited to embark upon this journey and be a vital part of the company's future growth."

Prior to joining Uniphore, Vineet has worked with companies like HCL, Talisma Corporation and C-Centric Solutions. He has built and managed several energetic and passionate sales teams known for achieving concrete results. His work experience includes a wide spectrum of organisations, from technology start-ups where he worked on go-to-market strategies to highly mature, large sales organizations.

Vineet also holds an MBA degree from XLRI, Jamshedpur.
