

Global High Voltage Cables & Accessories Market Research Report- Forecast to 2027

High Voltage Cables & Accessories Market Research Report by Type (Overhead, Underground, and Submarine), by Products, and by Region - Forecast to 2027

PUNE, MAHARASHTRA, INDIA, August 12, 2016 /EINPresswire.com/ --

Study objectives of High Voltage Cables & Accessories Market:

- To provide detailed analysis of the market structure, along with the ten year forecast of various segments and sub-segments of the [global High Voltage Cables & Accessories Market](#)
- To provide insights about factors affecting the market growth
- To Analyze the High Voltage Cables & Accessories market with respect to various factors such as price analysis, supply chain analysis, and porters five force analysis
- To provide historical as well as forecast revenue of the market segments & sub-segments with respect to four main geographies namely, North America, South America, Europe, Asia-Pacific, and Middle East & Africa
- To provide country level analysis of the market segmented by type of use, basis of product, and region with respect to the current market size and growth prospective during the forecast period

“

Key Players

NKT cables group (Germany), Nexans (France), Prysmian group (Italy), Finolex Cables Ltd (India), Siemens (Germany), ABB Group (Switzerland), Cable Corporation of India Ltd. (India)”

Market Research Future

- To provide strategic profiling of key market players, comprehensively analyzing their core competencies, and drawing a competitive landscape for the market
- To track and analyze market developments of key players such as joint ventures, strategic alliances, mergers & acquisitions, and new product developments, within the global High Voltage Cables & Accessories

Market Research Report

Key Players for High Voltage Cables & Accessories Market:

The key players in this market include NKT cables group (Germany), Nexans (France), Prysmian group (Italy), Finolex Cables Ltd (India), Siemens (Germany), ABB Group (Switzerland), Cable Corporation of India Ltd. (India), Brugg Kabel AG (Switzerland) and Synergy Cables Ltd. (Israel).

Market Synopsis of High Voltage Cables & Accessories:

Market Scenario:

High Voltage Cables, also known as HV cables are power cables used for the electric power transmission at a high voltage usually above 1KV voltage. HV Cables have the structural elements of one or more conductors, insulation and a protective jacket. ABB is one of the world leading suppliers of the High Voltage Cables & Accessories. The High Voltage Cables market is expected to grow at a CAGR of XX% during the forecast period.

Taste the market data and market information presented through more than 50 market data tables and figures spread in 110 numbers of pages of the project report. Avail the in-depth table

Segments:

Global High Voltage Cables & Accessories has been segmented:

On the basis of type

- Overhead
- Underground
- Submarine

On the basis of product

Overhead products

- Conductors
- Fittings & Fixtures

Underground & Submarine products

- XLPE Cables
- MI Cables
- Cable Joints
- Cable Terminations

On the basis of region

- North America
- South America
- Europe
- Asia-Pacific
- Middle East & Africa

Regional Analysis of High Voltage Cables & Accessories Market:

Asia-Pacific was estimated to be the largest market for high voltage cables & accessories in 2014. Globally, China held the largest share within the High Voltage Cables & Accessories market as compared to other countries in 2014. Other key markets include the U.S., Germany, UK, India, Brazil and Egypt. Europe and Asia-Pacific market are expected to experience rapid growth during the forecast period.

Americas

- North America
- US
- Canada
- Mexico
- South America
- Brazil
- Argentina
- Rest of South America

Europe

- Germany
- France
- Italy
- Spain
- UK
- Rest of Europe

Asia- Pacific

- China

- India
- Australia
- Japan
- Malaysia
- Rest of Asia
- Middle East & Africa
- Saudi Arabia
- UAE
- Egypt
- South Africa
- Rest of Middle East & Africa

The report on High Voltage Cables & Accessories Market by Market Research Future comprises of in-depth analysis derived from extensive primary and secondary research. Market evaluation includes detailed analysis of qualitative as well as quantitative aspects of the market gathered from various industry experts and key opinion leaders, to gain deeper insights of the market as well as industry performance. The report provides a clear picture of current market scenario, which includes historical and projected market size (in terms of value), technological advancements, and macro-economic factors influencing the market. The report provides detailed information and strategies of key players in the industry. The report also provides a broad study of the different market segments and regions.

About Market Research Future:

At Market Research Future (MRFR), we enable our customers to unravel the complexity of various industries through our Cooked Research Report (CRR), Half-Cooked Research Reports (HCRR), Raw Research Reports (3R), Continuous-Feed Research (CFR), and Market Research & Consulting Services.

MRFR team have supreme objective to provide the optimum quality market research and intelligence services to our clients. Our market research studies by products, services, technologies, applications, end users, and market players for global, regional, and country level market segments, enable our clients to see more, know more, and do more, which help to answer all their most important questions.

In order to stay updated with technology and work process of the industry, MRFR often plans & conducts meet with the industry experts and industrial visits for its research analyst members.
