

# TraceGains Says Food Safety Professionals Need to Know How & When to Assert Themselves During an FDA Inspection

*Free Webinar on How to Handle FDA Inspections in the Age of FSMA*

DENVER, CO, UNITED STATES, August 12, 2016 /EINPresswire.com/ --

[TraceGains](#), the leading Food Safety and Quality Assurance (FSQA) software solution for food and consumer packaged

goods (CPG) companies, is hosting a webinar on August 31 to help FSQA professionals know how and when to assert themselves during an FDA inspection.

## WEBINAR

(You Gotta) Fight for Your Rights  
(During an FDA Inspection)

“Understanding how to fight for your rights during an FDA inspection is valuable knowledge for food safety and quality assurance professionals,” said TraceGains CEO Gary Nowacki. “Our webinar will help them brush up on the ‘dos’ and ‘don’ts’ of how to handle an FDA inspection.”

Understanding how to fight for your rights during an FDA inspection is valuable knowledge for food safety and quality assurance professionals.

*TraceGains' CEO Gary Nowacki*

The first deadline under the Food Safety Modernization Act ([FSMA](#)) kicks in on September 19 when the FDA expects larger size companies to be compliant with the Preventive Controls for both Human and Animal Food. TraceGains scheduled this webinar ahead of the FSMA compliance dates to help the food and beverage industry prepare for the new oversight paradigm.

The guest speaker for the webinar will be regulatory attorney and university professor [Marc Sanchez](#), Esq. who has partnered with TraceGains on the previous eight FSMA club webinars. TraceGains offers these webinars free of charge as a service to the industry. To register for the August 31st webinar to learn how and when to be assertive during an FDA inspection, please visit [www.tracegains.com/events](http://www.tracegains.com/events). Past webinars are available on-demand on the TraceGains website along with other essential FSMA compliance resources [www.tracegains.com/fsma](http://www.tracegains.com/fsma).

### About TraceGains

TraceGains' cloud-based SAAS solution provides food and CPG companies with an integrated quality, supplier, compliance, and regulatory document management system that eases compliance with FSMA, GFSI, and HACCP. By automating, innovating, and streamlining Food Safety and Quality Assurance, TraceGains' customers are 365 Audit Ready™ and the system typically pays for itself in only four to six months.

TraceGains is the winner of the 2016 Stratus Award for Cloud Collaboration. The company is also among the Food Logistics Top 100 software and technology providers and a Top 20 Information

Technology Firm by Coloradobiz magazine. Learn more about TraceGains products at [www.tracegains.com](http://www.tracegains.com). Follow TraceGains on Twitter @TraceGains.
