As a former victim of bullying, Cheetah knows all too well, the importance of building self-esteem. "That's why I learned mixed martial arts and threw more than 10,000 kicks per leg in one year," said Cheetah, whose show endorses nonprofit organizations: BullyMeNotFoundation.com and ChampionWorldUSA.com. "Bullying is a global problem, and learning a form of self-defense like mixed martial arts will give you the confidence needed to stand up to bullies even if it is cyber-bullying –your mind is stronger than a verbal attack."
