

The Highly Anticipated VIP Christian Series Introduces The Concept Of Being God's VIP (Vision, Intent and Purpose)

Abraham Joseph Ajenifuja inspires readers to not only see their importance among others, but in the eyes of Jesus and God

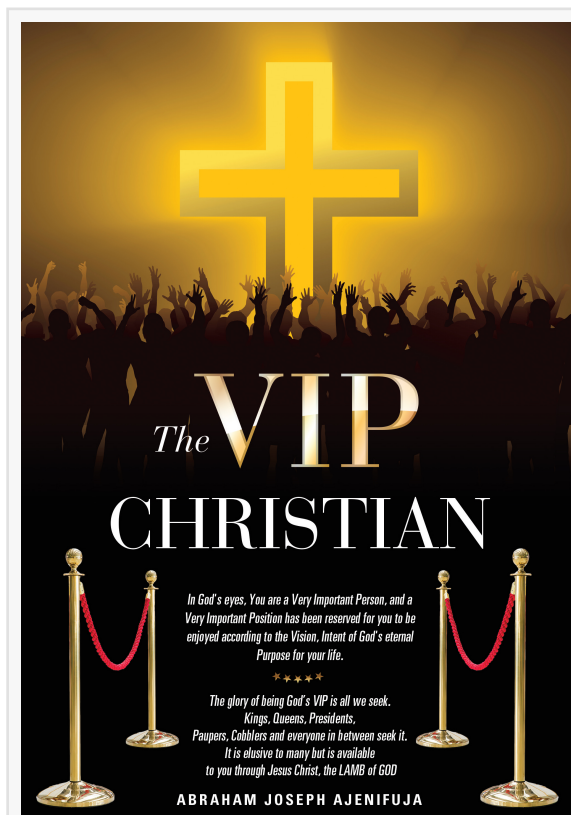

MAITLAND, FLORIDA, USA, July 21, 2016
/EINPresswire.com/ -- Abraham Joseph Ajenifuja's new book, *The [VIP](#) Christian*, (\$20.99, paperback, 9781498471671; \$9.99, e-book, 9781498471688) educates readers on their new role in God's eyes as His VIP – true believers that hold His Vision, Intent and Purpose. The author reminds readers how God made man in His own image as one with vision, intent and purpose to reflect His Glorious Beauty. He explains that the Glorious Beauty has been shattered due to man's sin nature, cultural environment and personal choices. God created the church to be the channel of His Gospel of Jesus Christ but there is a gap in the Gospel causing division along the lines of race, culture, language, gender, and socio-economic status. The book suggests that bridging the gap in the Gospel through reconciliation and restoration is the direction of providence, and VIP Christians must lead the way as the [Lamb](#) and Lamp like Jesus.

Abraham Joseph Ajenifuja's book goes beyond solutions offered by social science, popular psychology and other

human philosophy. It goes to the core of our human fabric and addresses the root cause and solution. This thought-provoking book is powerful, challenging, convicting, inspirational, motivational, empowering and fulfilling – the spiritual medicine for the soul, and the solution to the division in today's society.

"The reader will know the direction of providence to which God is calling all people from all races, culture, ethnicity, gender, age, and socio-economic status," states the author. "It is the direction of the LAMB - Loving people, Accepting them, Making them holy and Blameless. It is the Way of Truth and Life. The reader will know and be empowered how to be a Lamb and a Lamp, to fulfill personal spiritual and practical responsibilities and add to the Glorious Beauty."

Abraham Joseph Ajenifuja brings a multitude of life experiences to the writing of this book. This includes the privilege of majority, voiceless pain and struggles of minority; experience as child, teenager, young adult, parent, husband, student, former non-Christian; worker, business executive. Most importantly, he brings Biblical, scriptural, spiritual insight from the seminary, a graduate student

in professional counseling that informs on God's vision, intent and purpose of life; the continuing acts of the Holy Spirit, practical work as a minister of the Word of God in church leadership and ministries; the centrality of God-Man Jesus, the Author, Sustainer of life and ultimate expression of God's VIP as the LAMB of GOD.

The VIP CHRISTIAN

★★★★★

There is a gap in our gospel that is creating an environment of division along the lines of race, class, ethnicity, culture, language, age, and socio-economic status.

But deep down in the core of our being is a VIP Light that wants to shine to bring the broken pieces together. Songs have been composed about it; sonnets and poems have been written about it; philosophers have pondered on it; and prophets have spoken of it. The cross section of humanity in all social structures of women, children, and men from all cultures, languages, and color cry for this light to shine. If this light is to break out and pierce the pockets of darkness in all our social structures (family, education, business, media/politics, arts/entertainment, government/military, and religion), God's VIP Christians will have to lead the way.

When Jesus asked "Who do people say I am" Peter said "You are Christ the Son of the Living God." If we were to ask our families, friends, neighbors, colleagues, and coworkers, "Who do people say we are," would people know us as God's VIP Christians?

Check your VIP status and see the gap in your gospel and be the successful Christian God has created from eternity.

The VIP Christian is first in the VIP Series consisting of the "The VIP Prayer", "The VIP Family", "The VIP Education", "The VIP Church" and the "VIP Business"
