

Ikkletots Expands Baby Bandana Drool Bibs Collection with New Products for Girls

Unique Bandana Bibs in Pink, Black and White Help Protect Drooling and Teething Baby Girls in Style

SYLMAR, CALIFORNIA, USA, August 31, 2016 /EINPresswire.com/ -- NEW YORK, N.Y. – Ikkletots, an emerging leader in stylish baby accessories, announced today the expansion of its baby bandana drool bibs collection, which now includes new bibs exclusively for baby girls. The unique drool bibs, available in pink, black and white, help babies stay dry, clean and comfortable in style.

Ikkletots is known for its innovative accessories that give infants their own signature look. The company is committed to fashion-forward designs that are not only stylish, but also practical.

The company's drool bibs are made of

100 percent cotton knit on the front with soft fleece on the back. The double-layer design offers a bib that is not only super absorbent, but also waterproof. As a result, Ikkletots bandana drool bibs help guard against mess, but also protect babies from common issues such as rashes reflux. The bibs can be used as feeding bibs or teething bibs, and are machine washable to ensure convenience for busy moms.

Also committed to safety, Ikkletots does not use toxic materials in the design and construction of its bandana drool bibs. The company's bandana bib collection features nickel-free adjustable snaps, and contains no lead, BPA or phthalates.

"Absolutely beautiful, well made and incredibly absorbent," said Dena Botbyl, a recent Ikkletots customer who gave the bandana bibs a five-star review. "This set is practical and stylish. I am happy with this purchase and I highly recommend."

Ikkletots new bandana drool bibs for girls are available in a set of four and retail for \$16.99 on Amazon. The bandana bibs are eligible for expedited shipping, gift-wrap and the Amazon Prime program. More information, including product photos, is available on the Amazon.com [product page](#).
