

Inc. Magazine Unveils 35th Annual List of America's Fastest-Growing Private Companies — the Inc. 5000

Sunny Days In-Home Care Ranks No. 489 on the 2016 Inc. 5000 with Three-Year Sales Growth of 776%

NEW YORK, NEW YORK, UNITED STATES, August 19, 2016 /EINPresswire.com/ -- Inc. magazine today ranked [Sunny Days In-Home Care](#) NO. 489 on its 35th annual [Inc. 5000](#), the most prestigious ranking of the nation's fastest-growing private companies.

The list represents a unique look at the most successful companies within America's most dynamic economic segment — its independent small businesses. Companies such as Microsoft, Dell, Domino's Pizza, Pandora, Timberland, LinkedIn, Yelp, Zillow and many other well-known names gained their first national exposure as honorees of the Inc. 5000.

"We are so incredibly humbled and honored to be a part of the Inc. 5000," David Ellenwood, Founder and President of Sunny Days In-Home Care said. "It's a culmination of the dedication and commitment that we give to top-of-the-line care that has allowed us to reach this level of success.

There's no bigger validator than earning a spot on this prestigious list."

The 2016 class of the Inc. 5000 is the most competitive crop in the list's history. Ranked according to percentage revenue growth between 2012 to 2015, the average company on the list achieved a staggering three-year growth of 433%. The Inc. 5000's aggregate revenue is \$200 billion, and the companies on the list collectively generated 640,000 jobs over the past

three years, or about 8% of all jobs created in the entire economy during that period.

"The Inc. 5000 list stands out where it really counts," says Inc. President and Editor-In-Chief Eric Schurenberg. "It honors real achievement by a founder or a team of them. No one makes the Inc. 5000 without building something great – usually from scratch. That's one of the hardest things to do in business, as every company founder knows. But without it, free enterprise fails."

The annual Inc. 5000 event honoring all the companies on the list will be held from October 18 through 20, in San Antonio, Texas. Speakers during the event will include some of the greatest entrepreneurs of this and past generations, such as best-selling author and strategist Tony Robbins,

SoulCycle co-founders Elizabeth Cutler and Julie Rice, Cornerstone OnDemand founder, president and CEO Adam Miller, Marvell Technology Group director and co-founder Weili Dai and New Belgium Brewing co-founder and executive chair Kim Jordan.
