

GSF Mortgage Recognized Among Inc. 5000's Fastest Growing Companies for Second Straight Year

BROOKFIELD, WISCONSIN, UNITED STATES, August 23, 2016 /EINPresswire.com/ -- Inc. Magazine ranked [GSF Mortgage Corp.](#) among its 35th annual Inc. 5000, an exclusive ranking of the nation's fastest-growing private companies. The list represents a comprehensive look at the most important segment of the economy—America's independent entrepreneurs. Companies such as Under Armour, Microsoft, Paint Nite and Zappos have also been named among the list.

"What a tremendous honor it is for GSF to be included among the companies on this list. We are committed to expanding our operations and offer our services in more areas around the country. We are pleased that our efforts have been successful and are recognized by Inc. 5000," says President Chad Jampedro.

GSF Mortgage has continued to stay strong among its competitors in the mortgage arena. The company has increased its Inc. 5000 ranking from 2015 and is celebrating a 144% growth of revenue over the past three years. During the past year, the company has been approved with all three agencies: Fannie Mae, Freddie Mac and Ginnie Mae, allowing it to service loans in-house and expand their product offerings.

The 2016 Inc. 5000 is ranked according to the percentage of revenue growth, comparing annual revenue over a three-year period and using 2012 as a base year for growth. To qualify, companies had to have generated revenue in early 2012 and had to have generated at least \$100,000 in all of 2012. Companies then were required to have had generated at least \$2 million in revenue in 2015. Qualifying companies need to be privately held, for profit; based in the U.S., and independent (not a subsidiary or division of another company).

GSF Mortgage continues to seek mortgage rockstars for a number of positions throughout the United States including branch managers, mortgage underwriters and mortgage processors.
