

Latest News on Global Military Infrastructure and Logistics Industry 2016

2020 Forecast of Global Military Infrastructure and Logistics Market

PUNE, INDIA, August 26, 2016 /EINPresswire.com/ -- [Global Military Infrastructure and Logistics Industry](#)

The role of military infrastructure and logistics resources involves planning, processing, and controlling the physical flows of essential goods and supplies from the point of origin to the military bases in a cost efficient approach. The concept of a structured logistics system was introduced in military service during World War II. Over the years, military organizations have collectively experienced numerous changes within the infrastructure and logistics disciplines.

Analysts forecast the global military infrastructure and logistics market to grow at a CAGR of 1.39% during the period 2016-2020.
