

# Contract Professionals, Inc. (CPI) Wins Crain's Detroit Business Cool Places To Work Award

WATERFORD, MICHIGAN, USA, August 29, 2016 /EINPresswire.com/ -- Contract Professionals, Inc. (CPI) was recently selected as one of the 2016 Cool Places to Work in Michigan. The annual list of "Cool Places to Work" was created by Crain's Detroit Business and Best Companies Group.

This survey and award program was designed to identify, recognize and honor the best places of employment in Michigan, benefiting the state's economy, its work force and businesses.

"We are grateful to Crain's for recognizing CPI as a cool place to work. CPI evaluates our employee incentive program every year, and we strive to make CPI a "cool place" to work everyday," said Jim Cowper, president, CPI. To be considered for participation, companies had to fulfill the following eligibility requirements:

- Be a for-profit or not-for-profit business or government entity;
- Be a publicly or privately held business;
- Have a facility in the state of Michigan;
- Have at least 15 employees working in Michigan;
- Must be in business a minimum of one year.

Organizations from across the state entered the two-part survey process to determine the Cool Places to Work in Michigan. The first part consisted of evaluating each nominated company's workplace policies, practices, philosophy, systems and demographics. The second part consisted of an employee survey to measure the employee experience. The combined scores determined the top organizations and the final ranking. Best Companies Group managed the overall registration, survey and analysis process and determined the final rankings.

Public announcement of the entire list and rankings of the 3rd annual Cool Places to Work in Michigan program was published by Crain's Detroit Business on August 29, 2016. Program partners are Crain's Detroit Business and Best Companies Group.
