

# SHREVEPORT, LOUISIANA REALTOR® THERESA MOSES MILLER EARNS HER MILITARY RELOCATION PROFESSIONAL (MRP) CERTIFICATION

SHREVEPORT, LOUISIANA, UNITED STATES, August 31, 2016 /EINPresswire.com/ -- Theresa Miller is a passionate, dedicated and enthusiastic Real Estate Agent at Century 21 Elite in Shreveport, Louisiana.

Theresa was born in Wiesbaden, Germany, where her father was with the MMS Squadron (that's munitions maintenance) in the Air Force, stationed at Wiesbaden Air Base.

The family relocated stateside to Kansas City, Missouri, where her father served at Richards-Gebaur Air Force Base before transferring to Massachusetts at Hanscom Air Force Base, then back to Louisiana where he later retired from the Military after 21 years of service at Barksdale Air Force Base.

Theresa graduated from Parkway High School in Bossier City and went to Louisiana State University majoring in Liberal Arts with a minor in Secondary Education in History. She says, "I wanted to be a high school history teacher, but things have a way of changing. While I was in college, I meet and then got married to an Air Force man, Michael, who was stationed at Barksdale Air Force Base. We soon had our first child, a son named Keith."

“

I am so honored and privileged to be able to serve our local Military in the Barksdale Air Force Base community. Nothing is more satisfying than that.”

Theresa's family PCS'ed to Anderson Air Force Base in Guam, where her daughter, Brittany, was born. She recalls, "I really loved Guam. It was like living in Hawaii – so what more could you ask for?" Theresa worked in Civilian Personnel on base as a Grade 7 until her family was re-stationed to Moody Air Force Base in Valdosta, Georgia. They eventually transferred back to Barksdale Air Force Base where her husband received a medical discharge. Michael ultimately

passed away from cancer...

Theresa was working at a wholesale food company as their Human Resources Director where she did everything from interviewing, hiring and firing for 18 years.

Theresa was newly single and not ready to be attached to anyone, but she met a man named Chris Miller who changed everything. "He was very different from anyone I had ever met before. We got married some four months later. He had an eight -year old son named Tyler, so I became a

stepmother as well.”

Theresa and Chris had many things in common, including a love for traveling and going on cruises. They went to the Caribbean on their Honeymoon and have taken a cruise every year on their Anniversary. Together, they have been to numerous places such as Honduras, the Bahamas, Belize, Cancun, Cozumel, Jamaica and the Cayman Islands.

They also share a love for motorcycles and often take road trips to motorcycle rallies and events such as Sturgis and HOG Rallies around the country. Theresa has her own motorcycle a 2013 Harley Davidson Triglide.

This year, Theresa and Chris are the Duke and Duchess for the Krewe of Centaur. The Krewe of Centaur was organized in 1991. The Krewe is bound together by the common goals of building a better community and the pursuit of good family fun. The Krewe of Centaur Mardi Gras Parade has grown over the years to become the largest parade in the Ark-La-Tex. They are the largest Krewe in north Louisiana, and rival most those in New Orleans.

There were over 100,000 people who attend latest year's Centaur parade and every year the attendance continues to grow for this 25 year old Krewe. This year's 'Midway to Mardi Gras Coronation Party,' where the incoming Royalty are crowned, was especially electrifying for Theresa. She says, "It was so exciting! We were in the spotlight and there was so much confetti being thrown as Chris and I walked down the aisle through a sea of people. There was a lot of glitter everywhere and the only way I can describe it is like being a Rock Star on stage! We will serve the Krewe for the entire year and I couldn't be more thrilled to be a part of it!"

When not attending the festivities, motorcycling or going on luxurious cruises, Theresa works as a Real Estate agent in her beloved cities of Shreveport-Bossier and the surrounding areas that include Barksdale Air Force Base.

Theresa began her career at Century 21 Elite as the Broker's Executive Assistant where she trained new agents and helped them get their business up and running. She was dedicated to helping them make a smooth transition before getting her on Real Estate license in 2007. This was due to her daughter having her first baby, which was premature and Theresa wanting to be there for her grandchild. Her Broker suggested that she work part time as a Realtor as well as continue her work with the new agents. This worked out perfectly for her because of the flexibility it allowed.

Theresa found out about the Military Relocation Professional (MRP) Certification via the Century 21 Online University. She says, "I thought I was the perfect candidate because of my previous experience - plus being a Military Brat as well as a Military Spouse. Who better to assist our Active-Duty service

members and Veterans, than someone who knows the trials and tribulations related to PCS moves and relocation? I am so honored and privileged to be able to serve our local Military in the Barksdale Air Force Base community. Nothing is more satisfying than that.”

The host unit at Barksdale is the 2d Bomb Wing (2 BW), the oldest Bomb Wing in the Air Force. More than 15,000 active-duty, Air Force Reserve members and civilians make up Barksdale's workforce. About 44 B-52 Stratofortress aircraft are also assigned to the wing.

Other areas that Theresa serves are Haughton, Elm Grove, Ringgold and Lake Bistineau area, Benton, Stonewall, Keithville, Minden, Mansfield and Springhill. Theresa is licensed by the Louisiana Real Estate Commission. Century 21 Elite is an independently owned and operated franchise under the Century 21 brand.
