

# SUP jet in Aliso Viejo, CA is proudly unveiling it's newest creation the SUP jet Powered Paddle Board.

*Not only a standup paddle board The SUP jet is a pristinely designed jet propelled personal watercraft.*

ALISO VIEJO, CALIFORNIA, UNITED STATES, August 29, 2016 /EINPresswire.com/ -- Versatile and sturdy at 11ft 6in the SUP jet provides all ages and experience levels with hours of fun. The built in Jet drive system is contained completely inside the board, so there is virtually no drag and impeller safety issues. The SUP jet is the perfect companion for beginners through experts. The jet drive allows paddlers to travel further with the confidence to make it home safe. SUP jet users have no issues paddling up wind or against current. Most conveniently, when you

would like to sit back and let the board propel itself you just simply push a button and let the jet drive motor move you along over 5mph.

Impressively the SUP jet will hit stores this September 2016 at an affordably retail price of \$1888. For more information please visit [www.SUPjet.com](http://www.SUPjet.com), or email [sales@supjet.com](mailto:sales@supjet.com)
