NEW YORK CITY, NEW YORK, UNITED STATES, September 1, 2016

/EINPresswire.com/ -- [eQuiz](#) makes a splash in the mobile gaming market by adding a rich and innovative gameplay not found in the leading mobile quiz game apps. The game has just released in the App Store

(<http://apple.co/2bgSdaD>) with the Android version following in Q4. The gameplay which touts the following features: Deep, rich content with multiple, distinctive quizzes per topic (over 100 topics available now), and a variety of quiz formats with gradated levels of difficulty. It also has a varied, unique gameplay that includes: single-player mode, wager rounds that tests a player's confidence, and 1-on-1 battles.

“eQuiz is not your typical trivia game. We're going to be providing you the latest content from topics that are top of mind. People who play apps today are plugged in and our content will be relevant, interesting and most importantly fun. It's the perfect opportunity for sponsors who want to get the visibility they seek from the most engaged of audiences. We also know trivia transcends all types of demographics from around the world and as such, we'll be providing a robust library of topics and categories that are

of interest to all users. Our gameplay is sophisticated, it's much more adult; we are a trivia platform first and foremost.” said Oscar Negroni, [SilverMotion](#), Inc., Co-Founder and Chief Marketing Officer, “Our roadmap is exciting, our feature set will take trivia gaming to the next level. I'm very proud to be

part of this team and excited about our not too distant future.”

eQuiz is a deeply immersive and competitive trivia quiz game that will provide you hours and hours of fun! eQuiz is available on the App Store and can be downloaded here:
