JACKSONVILLE, FL, USA , September 9, 2016 /EINPresswire.com/ -- [Kelso Ministries International](http://KelsoMinistriesInternational.com) Releases the Critic's Choice Book "[I Will Not Be Defined™](http://IWillNotBeDefined.com)" Written by Rev. [Alan Kelso](http://AlanKelso.com)

I WILL NOT BE DEFINED™: A Huge Awakening

The struggle that rages within has been with humanity for ages. A mere look at the Statistics shows that people have lost their dreams due to the vicissitudes of life. One of the things that the book – **I WILL NOT BE DEFINED™** by Rev. Alan Kelso has accomplished to inspire hope and keep it alive. Each page of the book is filled with true experiences that would resonate with your soul. The rise of an Empire and it quick collapse endears the reader to the pulsating action that follows. In a well-crafted and balanced move, it shows how each phase of life could be looked at from a positive perspective.

Most of the things that would crack a Man came against the Author. The Divine Providence and the will to live is well entrenched in this work. A careful analysis of the progression would connect you to the higher power of God in many unique ways. This is one book that would make the rich dimensions of your true self to emerge. It is not framed for those who would dare to live again. Every message spread in this publication would propel you to press for new frontiers.
