

BluePay and GuestLogix Enter New Long-Term Agreement to Provide Processing for In-Flight Purchases

BluePay is pleased to announce they have recently executed a new five-year agreement with GuestLogix.

NAPERVILLE, IL, USA, September 8, 2016 /EINPresswire.com/ -- BluePay, a premier provider of integrated payment processing technology, is pleased to announce they have recently executed a new five-year agreement with [GuestLogix](#) to deliver robust payment solutions to the transaction processing platform for in-flight purchases such as concessions, entertainment, and WiFi connectivity. BluePay has been one of GuestLogix' key partners and suppliers for over 10 years.

Toronto-based technology company, GuestLogix, is a global provider of retail technology and merchandising solutions to over 65 major travel operators in the passenger travel industry. This new long-term agreement solidifies both firms' commitment to the partnership and provides further assurances to mutual clients utilizing BluePay's onboard retailing services across the globe.

Marcus Dagenais, President of BluePay Canada, commented, "We could not be more proud of what we have built with GuestLogix through this first decade of business together, and we are certainly eager to see what the future holds."

About BluePay: BluePay is a leading provider of technology-enabled payment processing for merchants and suppliers of any size in the United States and Canada. Through physical POS, online, and mobile interfaces, as well as CRM and ERP software integrations, BluePay processes business-to-consumer and business-to-business payments while providing real-time settlement, reporting, and reconciliation, along with robust security features such as tokenization and point-to-point encryption. BluePay is headquartered in Naperville, Illinois, with offices in Chicago, Maryland, New York, and Toronto. For more information, visit www.bluepay.com.

About GuestLogix: GuestLogix Inc., is a global leader in comprehensive onboard merchandising, payment and business intelligence technology delivered to the passenger travel industry. Bringing over a decade of expertise as the industry's most trusted onboard transaction processing partner to airlines, rail operators and elsewhere in the passenger travel industry, GuestLogix powers the industry's growing reliance on ancillary revenue generation. Both direct to operators as well as through partnerships with global leaders in catering, duty-free, inflight entertainment and self-service retail experts, the Company provides the payment services touching over 1 billion travelling consumers each year. GuestLogix' global headquarters and centre for product innovation is located in Toronto, with regional offices located in Dallas, London, and Hong Kong, and a product innovation lab located in Moncton. More information is available at www.guestlogix.com.
