

# Premier League in your pocket — powered by Windows Azure!

*Now available on iOS devices, a mobile sports game for Windows Azure based gaming platform tlive, has been passed iTunes certification.*

DORTMUND, NORTH RHEIN WESTFALIA, GERMANY, September 9, 2016 /EINPresswire.com/ -- Premier League Championship - one of the most exciting and loved football competition has started new season with a huge amount of star coaches. Can Pep Guardiola lead Manchester City to championship or can José Mourinho snatch the cup for Manu? Will Leicester defend the title or will Jürgen Klopp reawaken Liverpool's past glories?

The only thing as exciting as watching the Premier League Championship is playing along with it and predicting the results with friends and proving you know the most about the competition, teams and players - [Premier League Predictor](#) is the app that lets you do just that!

“

We are happy to pass the certification for Apple devices! The tlive game platform provides now prediction games and live scores for the major football leagues.”

*Stephan Thurek*

Fans in 242 countries around the world can enjoy with this app the championship first hand and could be part of this big sport event because just in time the iOS version passed the iTunes certification. Download now for free from the Apple iTunes Premier League Predictor from triomis - is available for iPad, iPhone or iPod Touch and any device running iOS 6 or later. Players can not only predict the results of matches but also get the latest goal alerts, news about the tournament and teams, download football wallpapers, ringtones and compare their scores with players from their country or all over the

world!

The app is also available for [Android](#) smartphones and tablets, [Windows](#) smartphones and devices running Windows 10. Users can play against friends and other users no matter what device they are using. Just following Microsoft's credo 'Cloud first—Mobile first'. Every time, everywhere on any device.”

For whom it concerns. Apps are also available for Champions League, Euro League, Bundesliga, Serie A, La Liga und Liga MX. Fast download the apps and set your predictions.
