NEW YORK, NY, US, September 10, 2016 /EINPresswire.com/ -- NEW YORK, NY, USA, September 10, 2016 /EINPresswire.com/ -- NEW YORK CITY, NY - September 10, 2016 - On Saturday, September 10th at 4 PM, New York City

based fashion designer Minika Ko will present her newest collection, Kovasky, at New York Fashion Week. The fashion show will take place at 601 Madison Avenue, between 57th and 58th streets of Manhattan, previously the Emporia Armani New York flagship store. Accompanying the show will be an original composition by composer Hung Ping Chang and sound editor Ying-Chieh Wang. The music will be performed live by violinist Matheus Garcia Souza and opera singer Anna Cley.

Crafted in tandem by the four artists, the composition reflects an intersection of modern meeting classical, ideally suited to match the design aesthetics of Minika Ko. "The cloths, the strokes, and the colors inspired me," said Hung Ping Chang. "I heard the music in my mind!" Accompanying the composition is singer Anna Cley. "Music has the power to change people's moods, and new worlds arise from it," she said. "It is fitting that my character on this occasion, Kovasky, is a female James Bond who wants to save the world." Their inspiration and passion shine forth in their intense, futuristic composition, one that will surprise audiences by inspiring their curiosity and heightening their sensations. It is sure to be an unmissable performance accompanying the anticipated debut of Minika Ko's first ready-to-wear collection, Kovasky.

Minika Ko is a fashion designer based in New York City. She has worked and lived in Taipei, Paris, Toronto, and Los Angeles, and now brings her global experiences to the world of fashion, designing with adventurers in mind - the courageous, independent, modern women. The Kovasky collection is indefinable by season, complimenting the adventurous lifestyle of the modern woman and emphasizing performance with femininity. The Kovasky woman is strong, sexy, and capable of tackling life's many challenges, all while remaining true to her identity and a sense of wonder.

The Kovasky runway show, accompanied by international musicians Hung Ping Chang, Anna Cley, Matheus Garcia Souza, and Ying-Chieh Wang will take place at 4 PM at 601 Madison Avenue, between 57th and 58th streets of Manhattan.
