Wiseguyreports categorizes "Hypermarkets, Supermarkets and Hard-Discounters" as Verdict Retail categorizes "Hypermarkets" as retailers with floor areas over 2,500 square meters that carry full lines of both grocery and general merchandise. "Supermarkets" include all retailers with floor areas of 300–2,500 square meters that offer a wide, departmentalized range of groceries, and may carry some general merchandise lines. "Hard Discounters" include all retailers that are engaged in the sale of grocery items and which have a stocking policy that focuses on a high private label share, low prices and often a relatively limited number of stock keeping units (SKUs) offered within a Channel. Such retailers are also known as food discounters.

"Global Retail Sales of Hypermarkets, Supermarkets and Hard-Discounters: Market Size, Growth and

Forecast to 2020" report is the result of Verdict Retail's extensive market research covering the retail industry in Global. The report acts as an essential tool for companies active across the Globe's retail industry and for new players considering entering the market. The comprehensive statistics within the report provides insight into the operating environment of the market and also ensures right business decision making based on historical trends and industry model based forecasting.
