

Joanne Selinske of Soul Source to be Featured on CUTV News Radio

BALTIMORE, MARYLAND, USA, September 13, 2016 /EINPresswire.com/ -- We often think of the afterlife as only an extension of our physical life. But while our physical lives are measured in decades, the life of the soul is infinite! Nourishing your soul and understanding its plan for this lifetime is the gateway to peace, joy, bliss.

Joanne Selinske is a hypnotherapist and the founder of Soul Source, which offers a unique combination of spiritual discovery and tools for transformation and holistic healing.

“This work is life-altering,” says Joanne. “The degree of wisdom people cull from their own past experiences is profound and greatly satisfying.”

We all have the story of our lives, but there's another story: the story of what our soul came into this world in this incarnation to accomplish. Even before the consciousness of a human being develops, the superconscious, the eternal self, knows how it wants our life to unfold.

“

With this work, we find the answers we've been seeking: a deep understanding of how this life fits into our soul's eternal journey.

Joanne Selinske

Joanne uses hypnosis to bring her clients into a deep state of trance. In that deep trance, they are in direct contact with their superconscious. Joanne specializes in two specific spiritual regression modalities: Past Life Regression and Life Between Lives Hypnotherapy®.

Past Life Regression allows us to access recollections from earlier lifetimes to explore our eternal soul's memories. Life Between Lives Hypnotherapy® is a technique for journeying between lifetimes – often referred to as the inter-life. These experiences are invaluable for those looking to connect with their higher self to in order to resolve past-lives and discover our life's purpose.

“People understand that they have patterns of thoughts and behaviors and they will typically look for answers in traditional psychotherapy and counseling,” says Joanne. “Though they get a lot out of that process, they're often left feeling that it does not completely explain who they are and why they are the way they are. With this work, we find the answers we've been seeking: a deep understanding of how this life fits into our soul's eternal journey. It's not only incredibly freeing but it also gives people

direction on how to spend the rest of their current life.”

CUTV News Radio will feature Joanne Selinske in an interview with Doug Llewelyn on September 15th at 2pm EDT.
