

Maine Mesothelioma Victims Center Now Urges the Family of a Shipyard or Industrial Worker with Mesothelioma in Maine to Call Them About Compensation and Hiring the Best Lawyers

NEW YORK, NEW YORK, USA, September 20, 2016 /EINPresswire.com/ -- The Maine Mesothelioma Victims Center says, "We are urging the family of a shipyard or industrial worker with mesothelioma in Maine to call us anytime at 800-714-0303 so they can get immediate and direct access the nation's most skilled and experienced attorneys-who get the best possible financial compensation results for their clients. At the same-time we will specifically tell people like this what law firms to avoid. Trust us-all the glitters is not gold when it comes to lawyers or law firms advertising on the Internet with pitches like 'no lawsuit needed, and or suggesting they is a US government claim's center' when in fact no such thing exists.

"Mesothelioma marketing law firms send

out signals-like they want the best for a person with mesothelioma. Try and find one that says 'we get the best possible financial compensation for our clients'-or that 'we charge 33.3% of the gross settlement amount? Unfortunately, mesothelioma marketing law firms comprise most types of Internet advertisers a diagnosed person in Maine or their family members will encounter when searching for a lawyers." <http://Maine.MesotheliomaVictimsCenter.Com>

High risk work groups for exposure to asbestos in Maine include Veterans of the US Navy, shipyard workers, power plant workers, industrial workers, public utility workers, oil refinery workers, mill workers, factory workers, plumbers, electricians, auto mechanics, machinists, and construction workers. Typically, the exposure to asbestos occurred in the 1950's, 1960's, 1970's, or 1980's.

The Center says, "We are the only group in the nation that openly says we want the best possible financial compensation for a person in Maine with mesothelioma and we are serious when we say 'we offer nearly instant and direct access to the nation's most skilled and accomplished mesothelioma attorneys-who get the best possible compensation claim results for their clients. If you are the family of a shipyard worker, industrial worker, skilled trades worker or Navy Veteran in Maine with mesothelioma please call us anytime at 800-714-0303 for our unsurpassed services."

The Maine Mesothelioma Victims Center would like to emphasize theirs is a statewide initiative available to a diagnosed victim anywhere in Maine including communities such as Bangor, Lewiston, Portland, Brunswick, Saco, Sullivan, Milltown, Bath, or Biddeford.

“

When we say 'we offer nearly instant access to the nation's most skilled and accomplished mesothelioma attorneys-who get the best possible compensation claim results for their clients'-we are serious

Maine Mesothelioma Victims Center

For the best possible treatment options in Maine the Maine Mesothelioma Victims Center strongly recommends the following health care facility with the offer to help a diagnosed victim, or their family get to the right physicians at this hospital.

* The Maine Medical Cancer Institute:

<http://www.mmc.org/cancer-institute>

According to the CDC the average age for a diagnosed victim of mesothelioma is 72 years old. This year between 2500, and 3000 US citizens will be diagnosed with mesothelioma.

Mesothelioma is a rare form of cancer that is attributable to exposure to asbestos.

The Maine Mesothelioma Victims Center says, "If you call us at 800-714-0303 we will see to it that you have instant access to the nation's most experienced mesothelioma attorneys, who consistently get the best possible financial compensation results for their clients. Before you hire a lawyer/law firm to assist with a mesothelioma compensation claim please call us and compare who we consider to be the nation's best mesothelioma attorneys to anyone else."

<http://Maine.MesotheliomaVictimsCenter.Com>

According to the CDC the states indicated with the highest incidence of mesothelioma include Maine, Massachusetts, Connecticut, Maryland, New Jersey, Pennsylvania, Ohio, West Virginia, Virginia, Michigan, Illinois, Minnesota, Louisiana, Washington, and Oregon.

For more information about mesothelioma please refer to the National Institutes of Health's web site related to this rare form of cancer: <http://www.nlm.nih.gov/medlineplus/mesothelioma.html>
