Business owners have a responsibility to enhance lives that need that extra assistance. I am very blessed with a loving family, friends and customer base who support me and my business, and it's important to make a difference," Tom Leiber, ProTek CEO explained. Tom learned about Compassion Foundation through customers who are active with the charity. ProTek has been involved with their events for almost 2 years and has seen the positive impact the nonprofit provides to local charities and community.

With their involvement and working alongside our other major sponsors, we raised \$22,000 at our golf outing at Aurora Country Club in May 2016, and look forward to our relationship flourishing together.
