

NREA, ACWA Power, Engie and Egypt Electricity Holding Company to attend Wind Power Egypt this October

Under the patronage of the New and Renewable Energy Authority (NREA), the 2nd Wind Power Conference will be taking place from 9-11 October 2016 in Cairo, Egypt.

CAIRO, EGYPT, September 15, 2016 /EINPresswire.com/ -- Under the patronage of the New and Renewable

Energy Authority (NREA) and with the support of the Regional Center for Renewable Energy and Energy Efficiency (RCREEE), the 2nd Annual Wind Power Conference will be taking place from 9-11 October 2016 in Cairo, Egypt.

The 3-day conference is organised by IQPC and will bring together regulators, developers, component providers, investors and other stakeholders interested in the Egyptian market to meet and formulate next steps for ensuring that the country meets its wind energy generation targets. This event will help developers identify best practices and technologies for minimising costs and enhancing operations of wind farms.
