

Poland's First Waste to Energy Facility Using Innovative Hybrid-PPP's

Award winning Marguerite Fund to provide case study insight at SMi's 2016 Energy from Waste industry summit

LONDON, ENGLAND, UNITED KINGDOM, September 18, 2016 /EINPresswire.com/ -- SMi's forthcoming [Energy from Waste](#) conference will feature an event spotlight on funding when it returns to Central London on 8th & 9th December for its 9th annual show.

Highlights will include detailed case study insight into the Poznan waste to energy plant funded by a European Commission grant of over EUR 82 million with outstanding costs covered by local authorities in partnership with private businesses.*

Lukasz Dziekonski, Director and Management Board Member of the award winning* Marguerite Fund at PKO

Bank Polski, will discuss Poland's first waste to energy facility using the innovative Hybrid-PPP approach. Progressive insight will also be given into future CEE projects replicating the same scheme.

Other keynotes will include a look into merchant funding by the Green Investment Bank; and an overview of emerging trends by NIBC Bank N.V.
