

# Global Self-adhesive Labels Market Applications, Key Players, Size, Share, Industry development, Segments to 2021

*Self-adhesive Labels Market Information by Compositions, by Chemical properties, by Type (Release liner) by Application and Region - Forecast to 2021*

PUNE, MAHARASHTRA, INDIA, September 16, 2016 /EINPresswire.com/ -- Synopsis of the Global Self-adhesive Labels Market

## Market Scenario

The growing e-commerce and organized retail sector are the key drivers of self-adhesive labels market. The growth of e-commerce industries induces the demand for packaging which utilizes the self-adhesive labels. Furthermore the increased demand for medicines and organized retails has fueled the market for self-adhesive labels used in packaging. This is backed by the rising urbanization and increased awareness related to product content among the consumers which have led to the growth of the global self-adhesive labels market. The global self-adhesive labels market is expected reach US\$ XX Million at the end of the forecasted period and is expected to grow at CAGR of X.X% from 2016 to 2021.

Key players: Avery Dennison Corporation, Americk Packaging Group, Constantia Flexibles Group Gmbh, SVS Labels, CCL Industries Inc., H.B. Fuller Company, Müroll GmbH, Constantia Flexibles Group GmbH”

*Market Research Future*

## Key Players

- Avery Dennison Corporation
- Americk Packaging Group
- Constantia Flexibles Group Gmbh
- SVS Labels, CCL Industries Inc.
- H.B. Fuller Company
- Müroll GmbH
- Constantia Flexibles Group GmbH
- Coveris Holdings S.A.
- Royston Labels Ltd.
- UPM-Kymmene Oyj
- Henkel AG & Co.
- Mondi Group

- S&K LABEL spol.s r.o.
- 3M Company

## Segments

Global self-adhesive labels market is segmented on the basis of Compositions, Chemical properties, type, application and region. On the basis of Compositions it is segmented as Release liner, adhesive layer, face stock, and others. On the basis of Chemical properties it is segmented as Acrylic, Vinyl, Polyurethane, and others. On the basis of Type industry it is segmented as Release liner and Liner-less. On the basis of Application it is segmented as Consumer goods, Food & beverages, Pharmaceuticals, Personal care, and others. Additionally on the basis of Region, it is segmented as North America, Europe, APAC and Rest of the World.

Taste the market data and market information presented through more than 70 market data tables and figures spread in 115 numbers of pages of the project report. Avail the in-depth table of content TOC & market synopsis on "[Global Self-adhesive Labels Market Research Report - Forecast to 2021](#)"

## Study Objectives of Global Self-adhesive Labels Market

- o To provide detailed analysis of the market structure along with forecast for the next 10 years of various segments and sub-segments of the global self-adhesive labels market
- o To provide insights about factors affecting the market growth
- o To analyze the global self-adhesive labels market based on various factors- price analysis, supply chain analysis, porters five force analysis etc.
- o To provide historical and forecast revenue of the market segments and sub-segments with respect to four main geographies and their countries- North America, Europe, APAC, and Rest of the World (RoW)

Browse Report @ <https://www.marketresearchfuture.com/reports/global-self-adhesive-labels-market-research-report-forecast-to-2021>

- o To provide country level analysis of the market with respect to the current market size and future prospective
- o To provide country level analysis of the market for segment by Compositions, Chemical properties, Type, Application and by Region
- o To provide strategic profiling of the key players in the market, comprehensively analyzing their core competencies, and drawing a competitive landscape for the market
- o To track and analyze competitive developments such as joint ventures, strategic alliances, mergers and acquisitions, new product developments, and research and developments in the global self-adhesive labels market

## Regional Analysis of Global Self-adhesive Labels Market

North America holds the largest market share of Self-adhesive market and is expected to grow rapidly over \$XX million by 2021. It is followed by Europe which is also expected to grow at CAGR of XX% respectively from 2016 to 2021.

However, APAC dominates the global self-adhesive labels market with its fastest growing market worldwide. It will expand at a CAGR XX% over the forecast period. The region is expected to show rapid economic growth, growing e-commerce industries, and increased investment in organized retail sector which induces the demand for self-adhesive labels to be used in packaging.

#### Global Self-adhesive Labels Market by Region

##### North America

- US
- Canada
- Mexico

##### Europe

- Germany
- France
- Italy
- Spain
- U.K.
- Rest of Europe

##### APAC

- China
- India
- Japan
- Australia
- Rest of Asia-Pacific

##### RoW

- Latin America
- Middle East
- Africa

The report for Global Self-adhesive Labels Market of Market Research Future comprises of extensive primary research along with the detailed analysis of qualitative as well as quantitative aspects by various industry experts, key opinion leaders to gain the deeper insight of the market and industry performance. The report gives the clear picture of current market scenario which includes historical and projected market size in terms of value and volume, technological advancement, macro economical and governing factors in the market. The report provides details information and strategies of the top key players in the industry. The report also gives a broad study of the different market segments and regions.
