

AnyFlip Enlivens PDF Documents with Free Flipbook Maker

AnyFlip offers many ways for the users to modify the PDF documents to interactive flipping book.

HONGKONG, CHINA, September 19, 2016 /EINPresswire.com/ -- AnyFlip has worked tirelessly to become a leader in the digital publishing arena, offering state-of-the-art free [flip book maker](#) to both businesses and consumers around the world. With near constant improvements, thanks to on-going customer feedback, AnyFlip has created a user friendly product that allows for the quick conversion of PDF documents to digital flipping books for audiences across multiple platforms.

AnyFlip offers users multiple ways to improve the viewing and reading experience, including:

1. Ability to choose interface language, or set multiple languages to switch between
2. Option to enable auto-flip feature, ensuring that publications flip pages automatically
3. Ability to customize backgrounds
4. Option to set slide mode for mobile devices
5. Ability to create table of contents for quick skimming/ returning to different sections of flipping book

In addition to offering free, innovative pdf to digital flipbook converter, AnyFlip also offers users extensive customer service. "We rely on our clients' feedback, to help create and improve our products, to

create and provide the best pdf to flipping book conversion software available in today's ever-changing digital world," says Anna Lee, Chief Designer of AnyFlip.

AnyFlip also provides cloud platform services to users for rapid PDF to digital flipping book conversion and storage, as well as access to a large community to share and follow other users' works.

For those needing the newest and best digital publication options, AnyFlip is the go-to product. For more about all of AnyFlip's innovations, go to this [software website](#).
