

Talent Directory Announces the Launch of Their very helpful Website - Talentdirectory.co

Talentdirectory.co helps in building a marketplace for talents and artists in the field of Entertainment and Events

BANGALORE, KARNATAKA, INDIA, September 2, 2016 /EINPresswire.com/ -- TalentDirectory.co, a purpose-driven online portal that is dedicated towards providing premium service(s) to professionals that are associated with the glamour industry, is excited to announce as well as inform everyone out there about the launch of their brand new one-stop website.

Just as the name suggests, Talent Directory has been rightly described as the perfect platform for connecting 'talents' with 'industry professionals.' In other words, through this revolutionary directory, hundreds of thousands of users (professionals) can meet with several small and large businesses, advertising agencies, event companies, etc., that are ready and willing to hire expert talents and artists for their company needs all over the world.

Located at www.talentdirectory.co, Talent Directory has one of the most extensive online talent catalogues with more than eighty categories of professional talents to display. It serves as an effective platform for employers to find musicians, models, photographers, dancers, and lots of other talents that suit their job requirements and criteria. Suffice it to say that the talent under consideration ranges from dance (dancers, acrobats, hula hoop performers) and music (singers, lyricists, ghazal performers) to entertainment (clowns, comedians, circus entertainers) and films (directors,

actors, models) as well as health (wellness experts) and art (caricaturists, airbrush artists, henna artists), among others.

Yatish Jain, the CEO of Talent Directory said; “We are absolutely thrilled about this latest development. Talent Directory is one of the most comprehensive directories for budding talent and artist, and we are the much-required bridge between employers of talent and those seeking satisfactory employment of their inherent talent. We are delighted and we know that everyone will be pleased with our service offerings.”

“All it takes to be found and positioned for that dream job is to simply register and upload your profiles. Industrial professionals do go through the profiles of registered members, and connect with those whose profiles tally with their own selection criteria.”

It is noteworthy to mention that industry professionals also post job requirements and criteria (such as the gender, age, linguistic skills and location along with other details like a number of vacancies and payment details) for the kind of talent they are looking for. The talented people who consider themselves fit for these posts apply for the job.

“Unlike other websites, we will always respect your privacy. You can be rest assured that we will never reveal or share personal information like your contact details like email address and phone numbers with anyone. This information is used only while contacting prospective employers through internal messaging system and communication” Jain concluded.
