GREENWICH, CT, UNITED STATES, September 22, 2016 /EINPresswire.com/ -- Now, and for a limited time only, Gourmet Living's [authentic traditional balsamic vinegar of Modena](#) is on sale. This traditional balsamic vinegar has been aged either 12 years (D.O.P.) or 25 years (D.O.P. extravacchio) and is available in special presentation boxes while supplies last.

Together with these special presentation boxes (for gifting), buyers will also receive a ceramic spoon, bottle stopper and a booklet published by the Italian Consortium explaining the history of balsamic vinegar together with a few recipes.

Traditional balsamic vinegar has a most specific meaning for growers in Modena and Reggio Emilia (Italy), where authentic balsamic vinegar is produced. In the case of Modena, it refers exclusively to barrel-aged wine must that has been aged either 12 or 25 years.

“

if you truly want to experience the taste on undiluted and barrel-aged balsamic vinegar of Modena, this is an opportunity that doesn't come along frequently”

In fact, the Italian Growers Consortium (“Consortio”) has taken the extra step of testing, bottling and sealing this aged wine must in distinctive 100ml bottles that attest to its authenticity. Traditional balsamic vinegar consists of 100% of barrel-aged wine must. Authentic balsamic vinegar from Italy has no additives or preservatives.

Sadly, many unscrupulous bottlers and retailers claim that they are selling “traditional balsamic vinegar” without the required certification (a seal) or the 100 ml required by the Consortio. There are many fraudulent representations made over the quality, age and content of balsamic vinegar and, as such, the informed buyer should be vigilant when choosing balsamic vinegar, particularly balsamic vinegar that is labeled “traditional,” which has a very specific meaning to the Consortio and informed buyers.

Now through September 30th, you can purchase either (or both) of these authentic DOP vinegars for 30% or more from than their already reduced retail price. Together with the balsamic vinegar, buyers will receive this exquisite hand-made presentation box which makes it idea for gifting.

Traditional balsamic vinegar has often been referred to as "nectar of the Gods." Given the lengthy aging process, DOP balsamic vinegar is very expensive, but is a special and unique gift for important occasions and celebrations.
