

SOCCER MANAGER 2017 released with 2016/17 season squads and leagues

Start of you new Soccer Manager career with updated 2016/17 squads and leagues

PRESTON, LANCASHIRE, UNITED KINGDOM, September 22, 2016 /EINPresswire.com/ -- Soccer Manager 2017 is out now with updated 2016/17 squads and leagues. Other new updates include a re-skinned user interface and improved gameplay, with a revamped match engine and emphasis on a solid build. "We went light on new features for the 2017 launch mainly because we have special updates coming into the New Year," said Stephen Gore, Soccer Manager 2017 Producer and Co-Founder.

"We concentrated on what our users most wanted for the launch of 2017 which mainly came down to a more solid build across all devices and the updated squads and leagues. For the coming months monitoring the build stability, which we believe has improved massively is key. After we are looking to completely revamp and update the title over the coming months. This initial launch is just the beginning of what will be an exciting year."

The Soccer Manager 2017 game will concentrate on serving its players with updates and new features throughout the year.

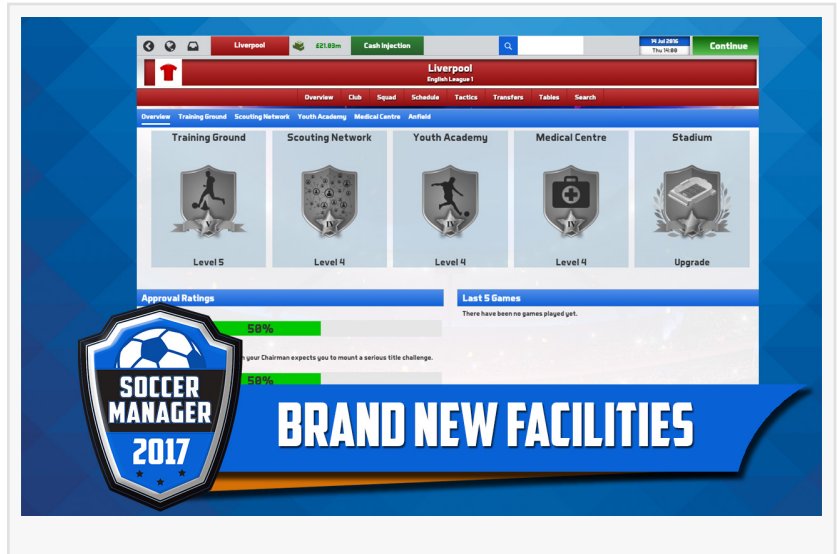

Soccer Manager 2017 is now available on Android, iOS, Steam and Desktop at www.soccermanager.com
